

67 Starlings Lane, WOODSIDE, VIC 3874

A Quiet Country Life

60.30 hectares, 149.00 acres

149 acres of picturesque rural landscape, open grasslands and scattered shade trees.

A serene, rural oasis hidden away from the traffic noise and pace of city living with no visual reminder of neighbours.

Although located with long frontage to the South Gippsland highway, the local farmers don't know it's there!

Beautifully screened by natural forests, this property is totally invisible to the rest of the world.

An impressive, contemporary country residence with its wide wrap around verandas, positioned beneath a canopy of natural gumtrees.

A herd of grazing cattle quietly coexist with resident kangaroos and other wildlife completing the perfect natural balance of this serene environment.
