Well located and Tidy Investment in Miles

This duplex is located on the eastern side of Miles and is only a moments walk from the Racecourse, sporting grounds, parks and picnic facilities and - of course - the Miles Historical Village.

It is a well maintained investment that is easily tenanted as it provides additional features than just the two bedroom, one bathroom, double carport. It presents additional garage storage, additional front and rear private open space and undercover courtyard that spills off from the loungeroom.

This is considered a very well located and tidy investment.

This property will not last long. Call Jon Kingston on 0409 057 596 to organise an inspection now.
