

L2 Tree Creek Road, KOWGURAN, QLD 4415

Off the Grid Living in Private !!!!

40.87 hectares, 100.99 acres

The Vendors have priced this land with a view for a quick sale.

This private 40.87 ha bushland block has private access away from highway, towns and people.

In saying that, while it provides the remote and privacy that many are chasing during these uncertain times, it still remains relatively accessible to gain access to Miles and Wandoan approx. 20 - 30 mins away if the need arose.

Vegetation consists mainly of ironbark and cypress pine with native regrowth and grasses. There is one surface water dam.

The fenced block would make an ideal location for the weekend getaways with families and kids or alternatively, live how you wish and enjoy the naturalistic lifestyle !!
