

3 Weldon Street, WANDOAN, QLD 4419

Tidy home at the right end of town

A tidy family home has just come available up the top end of Weldon Street. This family home is well presented, well maintained and is situated on a sizeable 809m².

Showing all of the usual family requirements - it also has a wood fire and north facing deck to characterize the best of all seasons. Take advantage of coffee and the Sunday paper after stoking the winter fire on those winter mornings or barbeque and beers in the afternoon with friends.

The large double shed out the back can house vehicles, toys or just the tools but is large enough to provide options.

This is a lovely, tidy, family home.
