

25 Gordon Avenue, GRIFFITH, NSW 2680

Brilliant 'North' Location!

North Griffith has so many coveted and enviable locations - circular Ortella Park - must be in the select top tier!

Doubtful that you will ever tire of gazing across to this beautifully established park from either your lounge or massive Main bedroom or from the front veranda for morning coffee or 'dusk drinks'.

This handsome Weatherboard look home will provide you with 2 living zones, 3 bedrooms and the Main bathroom is supplemented by a 2nd bathroom adjacent to the laundry.

Ducted reverse cycle will guarantee effective climate control.

Double carport with excellent storage completes a very appealing property - but this tranquil location so close to our 2 hospitals, churches, schools and CBD is most probably the ultimate attribute of this very comfortable residence.
