

6 Russell Street, GRIFFITH, NSW 2680

Spacious and Light Filled

6 Russell Street, Collina has more living space, quality and attention to detail than some other homes that come to market.

The feeling of space commences with a very accommodating entrance. This leads to a large lounge with a dining area - or could be utilized as a lovely reading area with its sun drenched aspect.

An equally accommodating family room - that also enjoys a light filled aspect - has a dining area adjacent to the appealing kitchen with masses of storage and features stone composite benchtops.

4 bedrooms - larger than many and both Main and Ensuite bathrooms - fully tiled to the ceiling.

Double garage, ducted reverse cycle air-conditioning and solar help complete a very livable and appealing home.
