

69B Hillam Drive, GRIFFITH, NSW 2680

Master-built and light filled!

We believe 69B Hillam Drive is more a spacious home on a manageable lot of 520m2 approx. - certainly more than many villas.

Handsome street presence with attractive brick work and a front facade that is stylish.

Floorplan comprises entrance hallway that introduces the main bedroom and study/4th bedroom adjacent - that then flows to the sun-drenched living/dining/kitchen zone. The appealing kitchen has excellent storage and stone benchtops and will be a brilliant area to create in.

2 additional bedrooms with quality robes and Main and Ensuite bathrooms.

Fixtures and fittings are of a quality standard and include upgraded cornice work, bathrooms fully tiled to the ceiling and ducted reverse cycle air-conditioning.

Double garage with internal access, electric door and rear yard access.
