Highlander - Nature at its Best

No Zoom lens required - This is it.

40 acres of pristine rainforest offers a life changing experience where birds, wildlife, untouched vegetation and a stunning coastline view combine to give a new owner nature at its best.

This off grid one bedroom, open plan home with living/dining space, elevated kitchen with breakfast bar, wood burning combustion fire, separate bathroom, toilet and mudroom provide a cosy get away or a permanent fully self supporting "Cabin in the Woods".

A paved covered BBQ area takes in the view to the ocean as well as a glimpse of the large dam and pontoon where you can sit quietly and enjoy the bush sounds.

Generator, instantaneous gas hot water, plenty of captured water in the 60,000 concrete tank all recently upgraded. Large 20' container for equipment and "toys".

If you are looking to get away but not spend all your time maintaining a large space then "Highlander" is ideal. Lock it and leave. Start the new year with a new address.

Only 15 minutes to Kiama's pristine beach, 30 mins to Wollongong and 90 mins to Sydney.
