A POOL FOR SUMMER!

...talk to me about plenty of living space and a sparkling gem of an in-ground pool in this elevated location opposite parkland! The combined lounge and formal dining room is huge and offers a pleasant entry to welcome guests into your home. The eat in kitchen has a 5 burner gas stove, loads of storage and bench space - perfect for the heart of this family home. Kitchen flows on to a big covered patio overlooking the pool. This area faces north east so is a spot perfect to warm up in the sun on a winter morning but is cool and breezy on a summer afternoon. The bedrooms are spacious with air-conditioning to the main bedroom. Undercover stairs lead to the lower level which is huge, part of which is currently being used as a work from home office and also offers two more rooms. This location is superb! Private and well elevated to catch the breezes, only 9km to CBD, 4 km to Airport Tunnel, walk to café's, restaurants, central to a wide choice of private and state schools. Mitchelton Train Station, bus stop, schools, Brookside Shopping Centre, bikeways and the beautiful Teralba Parklands. Everton Park is a great family suburb and is currently undergoing a transformation with a new Park Lane Restaurant precinct to be completed late this year. There are so many options for a great lifestyle here in this spacious home in this family friendly suburb!
