

Black Point Drive, BLACK POINT, SA 5571

A Sea-view + More

1,019.00 square metres,

One of the few remaining vacant blocks in one of South Australia's favorite holiday locations & this block has a SHED.

A gently undulating block offering good sea-views across Black Point Bay with a reserve adjoining to the front & rear of the block.

Ideal to use the shed as storage for a boat or caravan while you build. Certainly a rare offering.
