Quality And Location

This home has recently undergone major quality renovations and is positioned in a fantastic central location with 502 Primary school, North Park Sports Precinct and Stawell's Main Street all within easy walking distance.

There has been no expense spared leaving nothing left to do but move in and enjoy the modern but homely feel that has been created. The floor plan consists of an open plan kitchen/family/dining room with the warmth of an inbuilt wood heater, a beautiful family bathroom with deep bath and separate shower and three good sized bedrooms, all with built in robes.

There is evaporative cooling and a new ducted reverse cycle air conditioner to keep you comfortable all year round. You also have the peace of mind that the whole house has been professionally rewired.

The property simply keeps on giving with the inclusion of a workshop/garage, a garden shed and a new outdoor living area with ziptrak blinds. When quality and location count this beautifully renovated property will not disappoint.
