Elevated Charm, Full of Character, and Opportunity

Perched high on the ridge of South Murwillumbah, 19 Scott Street captures the timeless charm of the 1960s. This solid, character filled home is surrounded by established gardens and offers dual street access, creating a rare combination of privacy and practicality.

Inside, the home celebrates its era with original detailing, warm timber tones, and a generous layout that flows through multiple living zones. The kitchen retains plenty of its mid-century appeal, ready to be enjoyed as is or reimagined for modern living.

There are four spacious bedrooms, a comfortable living area that feels bright and inviting, and classic touches throughout that speak to the craftsmanship of the period.

Underneath, a single lock-up garage provides secure parking and vast storage space.

Set on an elevated block with a leafy outlook and only moments from the heart of town, this property offers a perfect blend of character, convenience, and potential.
