

Lot 42 Arbortwo Road, GLENWOOD, QLD 4570

SPACE, PRIVACY & POTENTIAL

7,000.00 square metres,

Set in a quiet pocket of Glenwood, Lot 42 Arbortwo Road offers the kind of lifestyle block that's getting harder to find. Tucked away on a no-through road, this 7,000m² parcel gives you space, privacy and the freedom to create your own country escape without the busy traffic or crowded feel.

The block is mostly cleared with a gentle slope towards the rear, making it an easy property to picture your future home, shed or weekend getaway on. The rear boundary follows a peaceful natural creek, creating a lush and shaded backdrop to the property and adding to the relaxed country feel. With power available at the roadside, you have the flexibility to build connected to mains power or set up an off-grid lifestyle if preferred.

Surrounded by natural bushland and peaceful rural scenery, the property has a relaxed feel while still being within reach of Gympie, Tin Can Bay and Rainbow Beach. Whether you're looking to build now, land bank for the future or simply secure a private piece of Glenwood, this is a block that gives you plenty of options.
