IMMACULATELY PRESENTED !!

Immaculately presented to the market, this lowset 4 bedroom home is the perfect first home, or a fantastic investment property. The layout of the home is extremely family friendly and the home is presented like new throughout. The master bedroom is to the front of the home and as throughout the home, there are clever little design flairs, that accentuate individual living. The walk in robe and ensuite will suit the most fastidious of buyers. All bedrooms have built-ins and are fully air conditioned with split system reverse cycle air conditioning. The kitchen is a spacious open plan design that allows you to be fully integrated in your families life while getting the chores done. There is access to the back yard from the street as well. This really is a blank canvas for you to make this your family home. Contact Wendy Thornberry at Elders on Egerton to arrange your inspection today.
