FAMILY ENTERTAINER

This home has in our humble opinion the best outdoor entertaining area we've seen in a residential property in a long time. This is the ideal family home for a modern, entertaining family.

The original house was completed in 1998 and offers a lovely open planned living, dining and kitchen area. The master bedroom is at the front of the home and has a walk in robe and en suite. The remaining three bedrooms are a great size with built in robes.

The key to this home though is the large extension that was completed in 2011. It created a seamless connection from the newly created rumpus room into the undercover entertaining area.

The thought that has gone into this space and how the inside space transitions to the outside is immediately evident. Large sliding doors between the two spaces and servey window are practical inclusions.

The large pizza oven and cabinetry with space for your BBQ are great additions. The outdoor area also has ceiling heaters that will allow you to extend the party into the
