

RODDS BAY QLD 4678

"ACERAGE BY THE BAY"

Here is a property with the right WOW factor - situated on a manicured 1.5Ha block close to the lovely fishing spots of Rodds Bay. This home was purpose built for the current owners requirements but circumstances have created a need for them to move away.

Have a look at this - a lovely home of 358 square metres of roof area covering great verandahs and screened outdoor areas, a separate and very modern granny flat, high ceilings, lovely kitchen and much much more - it really need to be seen to be appreciated.

Outside it has 5Kw of Solar Panels, around 90000 litres of rainwater storage, dam with a pump for yard watering, very large shed with two storage/workshop areas attached and great gardens and landscaping.

If you are looking at acreage property this one at this price should be on your list for inspection.

Ring Colin for details and an inspection.
