This Is Fabulous

Big 2023 square metre (approx.) building block in the seaside village of Emita, nestled on the shores of Marshall Bay.

The land has two magnificent dry stone walls on the boundaries and the sea views are divine.

Gentle walks lead to half a dozen secluded sandy beaches with the closest beach maybe 150 metres away.

Power and telephone available with good internet access. Gentle north slope is warm and the location inspiring.

Not far to a sealed road and plenty of new houses in the area.

Emita highly sought after and this building block is one of the best.
