Space, Style & Acreage Living

Set on approximately two acres of usable land in a quiet cul de sac, this beautifully presented four bedroom home offers the perfect combination of modern comfort, space and relaxed acreage living.

Recently renovated in 2023, the home immediately impresses with striking raked ceilings and a spacious, welcoming feel. Reverse cycle air conditioning and a wood fireplace ensure year-round comfort, whether you're cooling off in summer or settling in beside the fire during the cooler months.

The modern kitchen is positioned at the heart of the home and features 25mm stone benchtops, a generous island bench and dishwasher, creating a practical and stylish space for everyday living and entertaining.

The home offers four well-appointed bedrooms, all complete with built-in robes and ceiling fans. The master suite enjoys the privacy of its own ensuite, while the beautifully finished main bathroom features a large bathtub and spacious shower.

Step outside to the rear verandah and covered BBQ area, the perfect place to entertain family and friends or simply sit back and enjoy the peaceful surroundings. The dog proof yard provides a secure space for pets, while the dam and usable acreage offer plenty of room for the whole family to enjoy.
