

THORNTON QLD 4341

330 Acres of Privacy and Seclusion

133.83 hectares, 330.69 acres

Located approximately 20 minutes south of Laidley, this impressive and rarely available 330-acre property, spread over two titles, is being offered to the market for the first time in four decades.

The land is ideal for running cattle, exploring on motorbikes, or simply enjoying as the perfect weekend getaway. The majority of the property is fenced and features numerous 4WD tracks that wind through most areas of the block. There are several seasonal gullies and natural springs, as well as a few cleared sites that would make excellent potential building locations.

Properties of this size and location are increasingly hard to find in this tightly held valley-just around 1.5 hours from Brisbane.
