50 Acres of Lifestyle

Tucked away in a private setting on the outskirts of Grandchester, this expansive 50-acre vacant block presents a rare opportunity to secure a substantial lifestyle property less than an hour from Brisbane.

The land offers a desirable mix of lightly timbered pockets and generous cleared areas, ideal for livestock and providing multiple potential house sites to build your dream home.

The property features a large dam and stock-proof fencing, with new fencing installed along one boundary. Conveniently located just a short drive from the popular Grandchester Hotel, the local primary school, and approximately 30 minutes from Ipswich, this property combines space and privacy.
