with opportunity to further develop the paddocks, shade trees consist of predominantly box trees. The back of the property features gentle undulations, creating a scenic and usable mix of terrain.

IMPROVEMENTS: Extensive improvements include a steel and timber constructed shed with workshop and two car lock-up garage. Adjacent to this is six stables, a feed and tack room, and a concrete wash bay with hot water. A round yard is located just off from the stables with three smaller paddocks with shelters, additionally there are two larger paddocks with fencing in good order.

WATER: 'Glen Ayre' is well watered with town water connected to the property along with a bore equipped with a windmill, water is pumped to a header tank and reticulated to troughs, three dams are also located in the paddocks. The house is serviced by a rainwater tank along with the town water.

REMARKS: 'Glen Ayre' presents a unique lifestyle opportunity just minutes from the thriving rural hub of Tamworth, with room to further enhance and develop the property.
