132.30 hectares, 326.91 acres

We are proud to offer to the market this amazing Agri holding situated at the base of Mother Cummings Peak in the fertile Meander Valley region.

The property has been milking cows for generations on these rich fertile hills of some 132.3 Hectares in 4 titles, affording spectacular views overlooking Dairy Plains and extending north.

The property has been farmed organically and the rich minerals leaching from the hills and secure natural sub-soil water provides a micro-climate for growing pasture.

The property provides a canvass for the new owner to combine Agriculture, Agri-Tourism and Lifestyle pursuits on this truly unique parcel of land.

Included in the offering are 3 houses, each well maintained, whilst other infrastructure includes sheds, dairy and Barns associated with the current farming operation.
