The beauty of brand new spaces

The particulars contained herein are supplied for information only and shall not be taken as a representation in any respect on the part of the vendor or its agent. Interested parties should contact the nominated person or office for full and current details.

Be the first to acquire and appreciate a home designed to offer a fresh take on family living in a Greenwood Park Estate setting that combines rural vistas, vibrant spaces and quick, easy access to Deloraine's shops, schools and services.

This brand new residence's family focus is clearly illustrated by its brilliant balance of indoor desirability and outdoor dimensions. The beautiful freshness of the floorplan's fixtures and finishes complements the sense of space that only such a substantial allotment can deliver.

Living and dining areas defined by elegantly low-maintenance timber floors are accompanied by an open-plan kitchen with high quality appliances, subway style tiled splashbacks and a huge walk-in pantry perform perfectly.

A main bedroom with an elegant ensuite and walk-in robe reflects the character and comfort of alluring accommodation that comprises three further double bedrooms, each enhanced by built-in robes, sharing a central bathroom featuring the family friendliness of a separate bath and shower.

A separate laundry incorporated into the internally accessed double garage adds its own appeal to a property that also provides a separate second Colorbond double garage or workshop/storage shed in a garden backdrop of outstanding depth.

Patio entertaining and options to landscape according to your own priorities and preferences complete the profile of an address that promises a fantastic future immediately, and far beyond.
