Set within the ever-growing new development of Youngtown, these brand new two bedroom units offer easy, low-maintenance lifestyles in one of Launceston's most sought-after suburbs.

Designed with modern living in mind, these homes feel welcoming from the moment you step inside, with clean lines, thoughtful finishes and a layout that flows effortlessly.

The heart of the home is the spacious open plan living area, where large windows invite natural light to fill the space, creating a warm and airy atmosphere throughout the day. The adjoining kitchen is both stylish and practical, featuring contemporary fixtures, generous bench space and a dishwasher to make everyday life that little bit easier. Whether you enjoy cooking for yourself or hosting friends, this space is designed to support it all.

The living, dining and kitchen areas are finished with floating floorboards, adding to the modern feel while being easy to maintain. A separate laundry in both further enhances the functionality of the properties, keeping daily routines simple and streamlined.

Both units come with 2 bedrooms that are comfortably carpeted, offering a cosy retreat at the end of the day, and each includes built-in wardrobes to keep your space organised and uncluttered.

Outside, the low maintenance yards allows you to enjoy your weekends without the burden of constant upkeep, while the floating decks provide the perfect spot for a morning coffee, a relaxed evening drink or casual entertaining with family and friends.

The double carports and sealed driveways offer secure and convenient parking, adding to the overall ease of living.
